

Position: Full-Time PYP Teachers

Campus: Hikarigaoka

Start Date: August 2020

Position description:

As part of the school's teaching team, the teacher leads and manages all aspects of development; delivery, evaluation, ongoing improvement, promotion and school community involvement related to classroom teaching and associated duties.

As a member of the PYP, the Teacher is expected to:

1. employ a transdisciplinary pedagogy, deliberately and consistently making meaningful connections between, across and beyond subjects to support the understanding of real-world issues
2. implement the school's pedagogical framework by planning/selecting strategies to best support the process of inquiry
3. foster the development of assessment capability among all members of the learning community

Qualifications, Skills and Experience:

- Certified teacher with undergraduate and/or postgraduate qualification in appropriate field(s)
- Effective inquiry pedagogy and communication skills
- Demonstrated competency to work effectively in a team
- Demonstrated competency to innovate and solve problems in collaboration with others
- Demonstrated competency for timely, flexible and empathetic responsiveness
- Current and operational Blended Learning skills
- Experience working in international schools
- IB- PYP experience would be an advantage
- Native or fluent level of English
-
