

Safety Declaration of Tosho Kotsu Nerima Office

As professional drivers, we will comply with traffic laws and regulations and set a good example for other drivers. In order to eradicate traffic accidents, we will raise traffic safety awareness and improve our traffic and customer service manners. We will observe the following five basic rules of safe driving.

- 1. We always obey traffic laws and regulations and drive with a spirit of mutual respect and consideration.
- 2. We will be an example driver, knowing that we are in the public eye.
- 3. We will drive at a speed that allows us to safely stop at yellow lights.
- 4. We will take good care of our physical condition and will not drive when we are unwell.
- 5. We will always operate with safety in mind with an aim of zero accidents and zero complaints.
